

ABA UD SCHOLARSHIP INTERNATIONAL TALENT COMPETITION for the Bachelor's Degree in Graphic Design

ABA UD announces a INTERNATIONAL TALENT SCHOLARSHIP COMPETITION for the Three-Year Bachelor's Program in Graphic Design, starting in the Academic Year 2025/2026.

The competition is open to all talented individuals – citizens of both EU and non-EU countries – under the age of 30 who wish to begin a university-level program in Graphic Design, taught in English.

Applicants interested in participating in the competition are invited to demonstrate their talent by submitting:

- **A portfolio in digital format** (a PDF file or an online link) containing between 5 and 15 pages that represent their work, consisting of original projects/images developed by the applicant.

The portfolio should highlight the most relevant aspects of their personality through their work.

Applicants should document their creative projects across various fields through images and a set of keywords.

The portfolio may include drawings/illustrations, graphic design projects, photos, video links, and any other design-related work that reflects the applicant's interests. The projects/images should demonstrate creative potential and provide insight into the fields of graphic design.

- **A motivational letter** explaining the applicant's interest in the program.

- **A copy of an identity document** (ID card or passport).

Scholarships awards:

- One scholarship covering 50% of the tuition fee.

- Two scholarships covering 30% of the tuition fee.

The scholarships are valid for the full three-year duration of the BA in Graphic Design and, where applicable, will be calculated based on the applicant's ISEE income bracket.

Scholarships will be awarded by a committee chaired by Prof. Serena Selva, Deputy Academic Director of ABA UD. The committee's decision is final and not subject to appeal.

To enrol, selected candidates will be required to meet formal requirements, including presenting a High School Diploma, fulfilling the language requirements set by the Italian Ministry of University and Research, and paying the compulsory enrolment fee.
